

## Add-On Software License – Version November 2014

**IMPORTANT.** Read the following Freescale Semiconductor Add On Software License Addendum ("Agreement") completely. By selecting the "I Accept" button below, you indicate that you accept the terms of this Agreement. You may then install the Add On Software.

### FREESCALE SEMICONDUCTOR ADD ON SOFTWARE LICENSE ADDENDUM

This is a legal agreement between you (either as an individual or as an authorized representative of your employer) and Freescale Semiconductor, Inc. ("Freescale") and is an amendment to the license terms and conditions for the Software that you have already agreed to and confirm here ("License Agreement"). It concerns your rights to use the files and any accompanying written materials (the "Add On Software"). Capitalized terms have the meaning set out in the order document for the Add On Software, the License Agreement or as provided in this document.

In consideration for Freescale allowing you to access the Add On Software, you are agreeing to be bound by the terms of this Agreement. If you do not agree to all of the terms of this Agreement, do not download the Add On Software. If you change your mind later, stop using the Add On Software and delete all copies of the Add On Software in your possession or control. Any copies of the Add On Software that you have already distributed, where permitted, and do not destroy will continue to be governed by this Agreement. Your prior use will also continue to be governed by this Agreement.

**1. LICENSE GRANT.** Your use of the Add On Software is subject to the License Agreement with the following exceptions:

**1.1.** Your use of the Add on Software is not free of charge. You agree to pay the associated fee for the Add on Software within 30 days of agreeing to these terms.

**1.2.** Use of the Add On Software is restricted to use with a single Customer Product or group of related Customer Products that use the same central processing unit ("CPU"), perform the same general function, and use the same software code base (e.g. operating system version). An additional fee will be due by you to Freescale for each additional Customer Product that does not meet the requirements above.

**2. WARRANTY.** Freescale warrants that for the 30 day period following your download of the Add-On Software that the Add-On Software will comply with Freescale's specification for the Add On Software. If the Add On Software is not as warranted, Freescale will, at its sole option, and as your exclusive remedy, either refund the fees actually paid by you for the Add On Software, repair, or replace with the same or equivalent products that meet this warranty. This warranty does not apply to Add On Software that has been subjected to improper testing, assembly, mishandling, modification, or misuse, whether by you or by others. This warranty will not be expanded, and no obligation or liability will arise, due to technical advice or assistance, qualification or testing data, computerized data, facilities or service Freescale may provide in connection with the Add On Software. Freescale does not warrant that the functions contained in the Add On Software will meet your requirements or that the operation of the Add On Software will be uninterrupted or error free. The warranty recited in this Section extends only to you. **THIS WARRANTY APPLIES TO THE ADD ON SOFTWARE ONLY (AND NOT THE SOFTWARE) AND IS IN LIEU OF ALL OTHER WARRANTIES, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY, SATISFACTORY QUALITY OR FITNESS, AND THE WARRANTY AGAINST**

INFRINGEMENT SPECIFIED IN THE UNIFORM COMMERCIAL CODE. ALL OTHER WARRANTIES ARE EXPRESSLY DISCLAIMED TO THE FULL EXTENT SUCH MAY BE DISCLAIMED BY LAW.

3. INTELLECTUAL PROPERTY INDEMNITY. Subject to the limitations and exclusions stated below, Freescale will defend, at Freescale's expense, any Suit against you that results solely from a Covered Claim, and will indemnify you for any damages finally awarded against you resulting from a Covered Claim. "Suit" means a lawsuit based solely upon and containing only Covered Claims. "Covered Claim" means a claim in a U.S. lawsuit (excluding any bankruptcy, insolvency or administrative proceedings) that alleges the Add On Software either directly infringes a valid U.S. patent or copyright, or misappropriates a trade secret. No indemnification is provided for the Software.

3.1. Required Procedures. Freescale will have no obligation to defend or indemnify You unless You: (i) promptly notify Freescale in writing as soon as reasonably practicable after You first become aware of the Covered Claim, but in no event later than 30 days after You first receive notice of the Covered Claim; and (ii) gives Freescale sole control of the Suit and all requested assistance for defending the Suit. Upon request by Freescale, You will execute a joint representation agreement and waiver of conflicts of interests that will allow counsel retained and directed by Freescale to represent both Freescale and You in the Suit, and that will also allow counsel retained and directed by Freescale to represent Freescale in the future and be adverse to You in the future. Freescale will not be liable for any settlement of a Covered Claim made without Freescale's prior written consent. If you obtain counsel, either without Freescale's consent or for the defense of claims other than a Covered Claim, you do so at your own expense. If a Covered Claim is asserted prior to completion of delivery of the Add On Software, Freescale may decline to make delivery of the Add On Software.

3.2. Exclusions. Freescale will have no obligation to defend or indemnify you if: (i) the Suit contains any claims, causes of action or allegations other than Covered Claims; (ii) you or any third party has altered the Add On Software, and the alleged infringement would not have occurred but for such alteration; (iii) you or any third party has combined the Add On Software with any other products or elements not furnished by Freescale, and the alleged infringement would not have occurred but for such combination; (iv) the Add On Software was designed or manufactured in accordance with your designs, specifications, or instructions, and the alleged infringement would not have occurred but for such designs, specifications, or instructions; (v) the Add On Software was designed or manufactured in compliance with standards issued by any public or private standards body, and the alleged infringement would not have occurred but for such standard; or (vi) you are not using the current release of the Add On Software.

3.3. Injunctions. If the use or permitted resale of the Add On Software is enjoined as a result of a Suit, Freescale, at Freescale's option, and at no expense to you, will: (i) obtain for you the right to use or sell the Add On Software; (ii) substitute an equivalent product(s) reasonably acceptable to you and extend this indemnity to that replacement; or (iii) accept the return of the Add On Software and refund you the purchase price paid for the Add On Software, less a reasonable charge for prior use, if any.

3.4. Limitations on Payable Damages. Freescale's liability for damages will not exceed a reasonable license fee as applied solely to the Add On Software that is the subject of the Covered Claim.

3.5. DISCLAIMER. THIS SECTION CONTAINS (I) FREESCALE'S ENTIRE LIABILITY AND ALL OBLIGATIONS RELATED TO INTELLECTUAL PROPERTY INFRINGEMENT OR MISAPPROPRIATION, AND (II) BUYER'S EXCLUSIVE REMEDIES AGAINST FREESCALE FOR INTELLECTUAL PROPERTY INFRINGEMENT OR

MISAPPROPRIATION. THESE REMEDIES ARE PROVIDED IN LIEU OF ALL WARRANTIES, EXPRESS, IMPLIED OR STATUTORY, INCLUDING, WITHOUT LIMITATION, THE WARRANTY AGAINST INFRINGEMENT SPECIFIED IN THE UNIFORM COMMERCIAL CODE.

4. All other terms of the License Agreement remain the same with respect to the Add On Software. In the event of a conflict between the terms of this Agreement and the License Agreement, the terms of this Agreement will control to the extent of the conflict.
